COLLABORATE. EDUCATE. ELEVATE.

Write Dynamic Job Descriptions in Minutes

Write dynamic job descriptions faster with the power of artificial intelligence (AI). Using our AI-Enabled Job Descriptions, you can create a custom, professional job descriptions in just minutes.

HOW IT WORKS

1. Generate a high-quality job description directly from your applicant tracking system
2. Adjust the job description to highlight unique aspects of your company or position
3. Publish your job online to start attracting candidates

58%

of recruiters and hiring managers say it takes them more than an hour to write a job description.

Jumpstart the writing process and remove the need to scour the internet for job description templates or copy/paste from past postings.
