New Plan Options Designed for Growth

As part of our commitment to help you stay at the forefront of evolving hiring needs, we are introducing plan options that create a clear progression from foundational recruiting tools to more advanced functionality. This structure provides more flexibility to choose the right level of capability for your hiring needs.

Plans Overview

The new plan structure introduces two options designed for different stages of hiring maturity.

Essential

For growing teams that need reliable, streamlined hiring tools for steady recruiting.

KEY FUNCTIONALITY

- Basic visual hiring pipeline
- Core applicant tracking functionality
- Core calendaring and communication
- Offer letters
- Standard reporting
- Roles and permissions
- Email and chat support

Pro

For fast-scaling teams with higher hiring volume or more complex workflows,

KEY FUNCTIONALITY

- Custom visual pipeline
- Templates and automations
- SMS messaging
- AI candidate ranking
- Workflow management
- E-signature
- Multisite management
- Premium support
