

Why do I need a legal plan?

Quality legal assistance can be pricey. And it can be hard to know how to find an attorney you trust. But for a low monthly fee, you can have a team of top attorneys ready to help you take care of life's planned and unplanned legal events.

During your lifetime, you may need legal support more often than you think. Getting married, buying or selling a home, starting a family, dealing with identity theft, sending your kids off to college and caring for ageing parents are just some scenarios where our experienced attorneys can provide expert legal advice to you under the MetLaw plan.

Peace of mind knowing you have access to the expert attorneys you need, whenever you need them.

Q. How does MetLaw attract top attorneys?

A. Even experienced attorneys need to grow their practice. By providing exceptional service to you and other plan members, they can gain more clients through your referrals. That's how we've established a large network of highly experienced attorneys, averaging 25 years of experience. And every year, all participating lawyers in our attorney network are re-credentialed.

Q. How does the plan work?

A. Getting started is easy. You simply choose an attorney in any specialized area of practice from our network, which is available online or via one of our representatives. We will then give you an assigned case number to share with your lawyer when you make an appointment. It's that simple.

You can speak to our Network Attorneys face to face, by phone, or you can submit questions online to our Attorney e-Panel – whatever works best for you. And for certain legal matters, your attorney can represent you in court without you having to make an appearance.

Our Network Attorneys are there for you, whenever you need advice on any personal legal matter or representation on a number of legal services covered under your plan—giving you peace of mind that you've got an expert on your side, for as long as you need them.

Q. Can I get help finding the right attorney for my needs?

A. Yes – our Client Service Center representatives are here to help you find the right attorney that's best placed to help you with your legal matter, whatever that might be. We're committed to ensuring you receive the expert legal help you need, when you need it.

Q. Can I use an attorney who is not in the network?

A. Yes – you can use any attorney you'd like. If you choose an attorney outside of our network, we'll reimburse you for services based on a set fee schedule.¹

Q. Can I use a lawyer more than once?

A. Yes, you have unlimited use of the plan over the course of the year for covered legal matters.²

Q. How much will it cost?

A. Less than you might think. For less than a dollar a day, you can have our legal experts on your side, for as long as you need them. You can find the exact cost for your plan in the enrollment materials provided by your employer.

Q. How do I pay for my coverage?

A. It's easy. Your premium is paid through payroll deductions, so you don't have to worry about writing any checks or missing payments.

Q. Are my spouse and family members also covered on my plan?

A. Yes – your spouse and dependent children are covered under the plan.

Q. Is the claims process simple?

A. We make using your plan easy. When you use a Network Attorney, there is nothing for you to do. Plan services are covered in full and billing is between us and the Network Attorney. There are no waiting periods, no copays, no deductibles and no claims forms.
